Tumuaki's Report

Kia ora,

It is my great privilege to finally make it to the "almost" front page of the newsletter. For those who are not aware, Maree is currently on sabbatical, and as a result, I have made the step up and am now the designated Acting Principal for this term.

What this means (in reality) is I now have the authority to sign forms, answer the phone, have important meetings, and generally ensure the school remains running as effectively as it was before I moved my office chair across the walkway. It is a role that comes with some genuine challenges, but is also a position that allows me to see the inner machinations of the education system and how diverse and complex all the strands are that go into an area school.

It also gives me insight into the hard mahi that our staff do within the classroom and outside (which I saw before, but as the "big boss," I can now share the community pride in another light).

Our Details:

Rai Valley Area School

6700 SH6, RD 2 Rai Valley

Marlborough 7192

Telephone: (03) 571 6016

Email office: office@rai.school.nz

Web address: www.rai.school.nz

Our People:

Acting Principal: Dan Waldie

Acting Deputy Principal: Jess Massey

Secondary Senco: Theresa Shepherd

Primary Senco: Theresa Shepherd

Learning Support Coordinator:
Theresa Shepherd

Executive Officer: Christine McDonald

Receptionist: Pauline Agnew

Caretaker: Shane Dearman

Tumuaki's Report continued

We had an amazing Pet Day! The condensed format seems to work well and the students all had a great day, supported not only by the weather but all of you that contributed (either through judging, providing animals, baking, transporting)... days like this show just how great the Rai Community is.

I also had the privilege of attending the NMIT Trades Graduation. It was great to see our students graduating, and is just another example of the amazing opportunities that we at Rai are able to access on our doorstep.

In terms of in-school assessments, we have Seniors leaving for exam leave from next week (exam leave starts on the 9th of November, so last day for Seniors before study leave is Friday 6th November) – for more information and advice on the external assessment process, please visit [NZQA Whānau Information](#).

We also received the final round of Common Assessment results (assessments in Reading, Writing, and Numeracy) for 2026. Traditionally, these assessments are first attempted when our students reach Year 10 and upwards and are the benchmark for Literacy and Numeracy Achievement in NZ schools. However, this year we encouraged and cajoled our Year 9 cohort to attempt them. Our results (considering we sent in a cohort that was typically a year younger than National Averages) were very encouraging, and I would personally like to extend my thanks and pride to all students who sat the exams, as it was a huge step up for them and they all deserve recognition for the hard work they put into giving them a go.

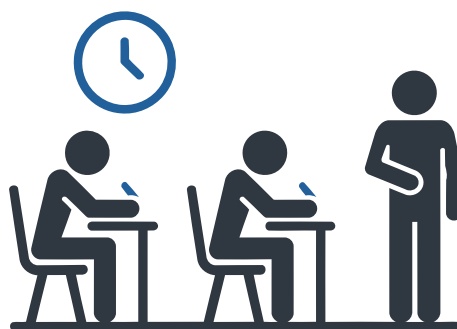

On the extracurricular front, we are in the final stage of organising the Year 9/10 camp. This is being held later in the year so as to be a true "Summer" camp. Once again, we will be teaming up with Tapawera Area School, but whereas we usually go to Lake Rotoiti and the lodge there, this year we are getting even more in touch with nature by organising nights under canvas (or the modern tenting equivalent) and having a focus on watersports (paddleboarding/swimming) as well as a walk into Abel Tasman National Park (with the carrot of getting a fast boat trip back).

None of what Rai Valley students get to experience would be possible without the support of you as whānau, friends, supporters, helpers, and community members.

Ngā mihi nui – stay safe,

Dan Waldie

Acting Principal - Term 4 2026

Reminder

**WHOLE SCHOOL TEACHER ONLY DAY MONDAY
16TH NOVEMBER
(EXCEPT THOSE STUDENTS SITTING NCEA EXAMS)**

Primary News

So far this term...

Term 4 is always an exciting term with lots of fun and exciting things happening and this term is no different. Last week we celebrated our annual Pet Day and it was great to see so many children out enjoying the day with their whānau and pets. Thank you to all of the wonderful judges, stewards and helpers that came along for the day. Your contribution is so appreciated.

Friday the 30th is our Pelorus Cluster Athletics Day at Blenheim's Athletic Park which should be a great experience at the athletic ground for our students.

Swimming- as the weather warms up, we look forward to the opening of the school pool. This is currently undergoing maintenance, specifically removing rust from the bars that surround the pool. Shane is working hard on this, and the paint and chemicals will need time to cure before he can refill the pool for use. Class teachers will notify you when the pool is ready to use.

Term 4 is also about preparing for the year ahead. It is our intention to have classes and teachers organised for next year, so you and your child are aware, as soon as possible. We are working hard behind the scenes to ensure we have answers for you as soon as possible.

Communication- we are trying a new system where we send correspondence to parent's through our student management system. We want to ensure that all parents are receiving emails and I know there has already been hiccups with this system (not including my shocking spelling. I promise I can spell!). Please let us know if you would prefer paper copies of notices and we will continue to send them home for those students.

What to Bring to Exams

Clear plastic bag: Bring all equipment into the exam room in a clear plastic bag.

Approved stationery: Pens (black or blue), pencils, and an eraser.

Calculators: Must be silent, hand-held, non-printing, and run on their own power with memory cleared.

Admission slip: Carry your official NCEA admission slip with you.

Be in correct uniform for all your exams

A positive, can do attitude.

News From The Board of Trustees

This month's Board of Trustees meeting was slightly different as Maree is on sabbatical. This term we have Dan Waldie joining our team as Acting Principal. We also welcomed our newly elected Student Representative- Sophia Wiesner. As a board, we really appreciate the role of the student trustee and having their voice heard is important.

It was very positive to hear about student success from the latest CAAs- reading, writing and numeracy exams, that saw a large number of our students passing. Congratulations to those students and well done to the Year 9s and 10s who gave it a go.

As a board, we are still looking for another parent or community representative to join us. Being part of the board is a great way to support the school, have your voice heard and learn a little more about behind the scenes. If you are interested in joining, please reach out to the school.

We also discussed the current fundraising that is taking place with calves being raised for the school to sell for fundraising. This is a huge commitment from farmers in our community. We want to acknowledge these farmers, their handwork and generosity around this. Also thank you to Spud Johnsen, Sarah Hope and Kristin Alridge for organising this.

On the 29th of November RVAS and Mt Rimu will be hosting a Kahuta MC Motocross event. This is another great fundraising opportunity for our school. We will need to provide marshalls on the day and will sell food. If you are available to help, please let me know.

Until next time, ka kite
Jess Massey- Staff Representative
