Schedule of Outdoor Exhibits

Animal Criteria and Rules

- It is the responsibility of the entrant to ensure the animals are tied, fed, watered and sheltered when not being judged.
- Lambs and calves must be born on or after the 1st August of the current year.
- Plan of leading course for lambs as follows:

CALVES: special Section 2020

There will be no calves again this year, however The Student Council have asked to allow a competition of sorts to run. To make this as manageable and safe as possible, **students can enter a calf this year but WILL NOT be bringing it to Pet Day 2020**. Instead they can complete a special calf pet diary with lots of photographs. Judging of the calves will be based on these diaries and done along with the other indoor exhibits on the 20th of October. This will be an open class and no trophy will be awarded, however “Champion” and “Reserve Champion” ribbons will be given to the **overall top two calves based on the diaries**.
