### **Marlborough Police Information – Crime Trend**

Over the past couple of months, a clear trend is emerging in Marlborough.

Vineyards and rural areas have been targeted by criminals - they are taking from vehicles parked in vineyards and other properties the **batteries** from those vehicles.

The latest event occurred over night **6 -7 July 2021** in Koromiko - **four batteries stolen from tractors!** The offenders entered a gated area, so gates are no barrier for these offenders.

Other areas targeted - Wairau valley, Blenheim and Seddon area.

If you have vehicles left in areas that can be accessed - think about putting in trail cameras or similar to aid in catching the offenders.

In addition to that we are looking for a trailer that was stolen on the outskirts of Blenheim recently - it is a distinctive vehicle transport trailer.

Also, Over the last few months a 15,000 water tank as per the one in the attachment was taken from a Wairau Valley property.
