## Tumuaki's Report

Kia ora Koutou

It is great to see the days becoming a little longer and a little warmer. We are over half way through the term with a very busy few weeks ahead.

In the last couple of weeks we have farewelled Tessa and Elliott. Both are taking part in international school exchanges. Tessa left a couple of weeks ago for Peru and we will see her back at the end of November with a lot of exciting stories to tell. Elliott has gone to Canada on a year long exchange and hopefully we will catch up when he returns.

The year 7 and 8's who travelled to Collingwood a couple of weeks ago had an amazing time. It was a great opportunity to play some competitive sport in an Area School environment. We look forward to hosting Collingwood next year.

Winter sport is coming to a close. The netball season has finished and Rugby and football are about to finish. A huge thank you to the parents and caregivers who have regularly transported their young people throughout the season. Our year 5&6 netballers had a great season. For many this was their first season playing and each week they improved.

# Tumuaki's Report continued

A huge thank you to Kimberly Morrison for her coaching and support throughout the season. Both Secondary teams improved throughout the season. The Gold team only lost 2 games throughout the season and ended the season as runners up in Collegiate 8. Thank you to Sarah Linton for all her work in coaching throughout the season.

The remaining few weeks will be busy for both primary and secondary students. Our primary students have school production on 11th September and Maud Island on the Monday and Tuesday of the last week of school. The senior students have the next round of CAA's for NCEA literacy and numeracy as well as their NCEA derived grade examinations in the coming up in 2 weeks time. In the last week of school the Year 11-13's are going to Wellington for a city camp.

The Board of Trustee elections are currently underway with the final day being the 10th September. At this stage we only have a 17% return rate. I would encourage everyone to have their say as this will support the direction of our school in the next 3 years.

## Secondary News

---

This term can't decide whether it wants to go really fast or really slow, often changing its pace on an almost hourly basis. What we do know is that the second round of Common Assessment Activities (Level 1 Literacy and Numeracy) is next week. Year 10 students who are working towards these will have received some guidelines in their reports to help them prepare.

School photos are also coming up, so now is the time to dust off the best uniform and polish those Skechers or Converse.

The following week, from 8 September onwards, is the NCEA Derived Grade Exam week. These exams are essential marker points for both students and teachers, as they not only give us an indication of where gaps in learning (as well as strengths) lie, but also contribute to the Derived Grade process. This process is in place to safeguard student achievement if they are unable to attend the external examinations at the end of the year. Attendance at the Derived Grade exams is mandatory.

The week after that, our seniors will be off to Wellington on camp. We have now finalised the itinerary and will send out the information ASAP (apologies for the delay – we were waiting on confirmation around transport and activities).

That will bring us to the end of term, when we can all take a deep breath before diving into Term 4 – and hopefully, some sunshine.

## TAKING ON THE WORLD

**ELLIOTT TO CANADA**

**TESSA TO PERU**

On Thursday 14<sup>th</sup> of August, I'll be heading to Peru for three months on a student exchange! This is such an amazing opportunity to experience a new culture, improve my Spanish, and learn about life in another part of the world. I'm incredibly grateful for all of the support I've received from my family, friends, and community to make this dream possible. I can't wait to bring back everything I've learnt and share my experiences when I return. You can follow me on Instagram - tesszillwood

We wish Elliott all the best as he departs for a one year high school exchange in Nova Scotia Canada. It's fantastic to see kids from Rai Valley taking the opportunity to experience new cultures and what the wider world has to offer. We look forward to hearing from Elliott while he is overseas. Elliott will return to RVAS in Term 3 2026.

**Don't forget to follow us on Instagram**

**Farewell Lawrence**

**Lawrence you are amazing!**

**Lawrence Stewart has achieved so much in the time he has been at Rai Valley Area School.**

**He has developed his communication with others and has gained serious skills in the kitchen while going to Trades on Fridays to study Hospitality.**

**RDA has been amazing for him too.**

**We wish him all the best heading down South.**

**Good luck Lawrence.**

**Dress warm.**

**We will miss you**

Collingwood turned on a cracker of a day for our inaugural Y7/8 sports exchange on the 14th of August. Students participated in football, netball, basketball, kī-o-rahi and playball.

This was a great experience for students aspiring to be involved in future TOSI tournaments, and also a fantastic opportunity to make connections with students at another area school in the top of the south. Thank you Te Kura o Aorere / Collingwood Area School for hosting us.

Greetings everyone,

I have spent the last couple of days, at the invitation from Maree, attending the NZ Area Schools Conference. It has been very enlightening, future-focused and collegial.

Education Minister Erica Stanford spoke to us before we departed on Friday, singing the praises of the work we do at area schools.

Last Tuesday I sent home a reasonably lengthy news update for this halfway mark of the term, which means I don't have a lot to add today.

School photos are on Thursday next week, clean and correct uniform and sports uniform, if you require one would be appreciated.

Production for Primary students is not far away now. Sam Baxter will be here next Friday and the stage will be built on Wednesday 3rd September. It will feel more exciting each time we practice after that.

Those students going to Maud Island in the last week of the term, with Mrs Massey, will have lots of information coming their way now. As she would have said, if you have any questions please don't hesitate to ask.

Below you will see the results from the syndicate speeches that were held last Tuesday.

Everyone did really well. It is not an easy feat to stand and speak in front of a crowd of people, so well done. Trophies for these are awarded at the end of the year prize giving.

Pet Day info will come soon along with the meeting date for interested people being on Monday 1st Sept.

Regards,  
Karen Davies  
Head of Primary/AP

## **SCHOOL CHICKEN ORDERS 2025**

Baby chicks are back! Lambs, calves, daffodils and CHICKS...Spring is a great time of the year! Orders are now being taken for this year's one day old Brown Shaver chicks. When grown these will be laying machines! A wonderful way to get the kids out of the house and teach the importance of compassion and dedication.

-Chicks are sold in units-each unit contains 4 chicks @ \$55 per unit.

- **The price has gone up considerably this year, especially the air freight.**

**\* I am looking for someone to collect the chicks from Nelson Airport and deliver them to schools for me as I will be too busy to get there this year if you are interested please get in touch with me via email or 0210611381 \***

-Orders need to be in at the school office by Friday 29th August or emailed directly to Amber Templeman [jason.amber.templeman@gmail.com](mailto:jason.amber.templeman@gmail.com)

**\*no late entries will be accepted \***

-A care book will be provided, and children will be expected to complete a chick diary on raising their chickens.

-The approximate date for hatching is Mon 1st September.
